

Industry Study #3518

# ASPHALT SHINGLES MARKET IN THE US

May 2017

This Freedonia US study presents historical demand (2006, 2011, 2016) plus forecasts (2021) by product (standard laminated, high-performance laminated, three-tab), by market (new residential, residential reroofing, commercial), raw material (mineral fillers, granules, asphalt, fiberglass), and census subregion. The study also evaluates company market share and provides analysis of key players such as Atlas Roofing, CertainTeed, GAF Materials, IKO Group, Malarkey Roofing, PABCO, Owens Corning, and TAMKO Building Products.
