

Industry Study #3519

GLOBAL POWER TOOLS MARKET, 9TH EDITION

May 2017

This study presents historical sales and demand data (2006, 2011, and 2016) plus forecasts (2021) by electric product (drills; saws; sanders, polishers, grinders; other electric tools; parts and accessories), electric power source (plug-in or battery), pneumatic tools and other power tools), by market (construction, motor vehicle aftermarket, consumer, industrial and other), and by world region. In addition, the study evaluates company market share and provides analysis of global industry participants.
