

PHARMACEUTICAL PACKAGING MARKET IN THE US

Industry Study #3523 / June 2017

This Freedonia industry study analyzes the \$19.9 billion US market. It presents historical demand data (2006, 2011, 2016) plus forecasts for 2021 by product (glass and plastic bottles, blister packaging, parenteral containers, prefillable inhalers, pouches, tubes, closures, secondary containers, labels and packaging accessories) and market (pharmaceutical manufacturing, contract packaging, retail and institutional pharmacies, and other). The study also evaluates company market share and analyzes leading industry competitors.
