

Industry Study #3524

AIR CONDITIONING EQUIPMENT MARKET IN THE US

May 2017

This Freedonia industry study presents historical demand data (2006, 2011, 2016) plus forecasts (2021) by product (unitary air conditioners, room air conditioners, packaged terminal air conditioners, chillers, and absorption liquid chillers), by market and segment (residential and commercial, new and existing), and US region. The study also evaluates company market share and provides analysis of key competitors, including Daikin Industries, Electrolux, Ingersoll-Rand, LG Electronics, Johnson Controls, Lennox, Nortek, Rheem, and United Technologies.
