

# LOW-SLOPE ROOFING MARKET IN THE US

Industry Study #3525 | July 2017

This Freedonia industry study analyzes the \$7.3 billion low-slope roofing market in the US. It presents historical demand data (2006, 2011, 2016) as well as forecasts for 2021 by product (bituminous, plastic, rubber, metal and other), market (new commercial, commercial reroofing, and residential), and US census subregion. This study also evaluates company market share and examines industry competitors including BlueScope Steel, Carlisle Construction Materials, Firestone Building Products, GAF Materials, Johns Manville, NCI Building Systems, Nucor, and Owens Corning.
