

Industry Study #3528

PAVING ASPHALT MARKET IN THE US

June 2017

This Freedonia study reviews the \$6.4 billion US paving asphalt market. It offers historical demand data plus forecasts for 2021 by product (asphalt cement, asphalt emulsions, cutback asphalt, other), application (highways and streets, nonresidential, and residential), and region of the US. The study also evaluates company market share and presents analysis on industry competitors such as Alon USA, Calumet Specialty Products, Colas (Bouygues), Ergon, HeidelbergCement, HollyFrontier, Oldcastle Materials, Summit Materials, and Vulcan Materials.
