

METAL ROOFING MARKET IN THE US

Industry Study #3532 | August 2017

This Freedonia study examines the \$3.0 billion US metal roofing market. It presents historical demand data and forecasts for 2021 by product (standing seam; other panels; and tiles, shingles and shakes), market (new commercial, commercial reroofing, and residential), and US census subregion. The study also evaluates company market share and analyzes industry competitors including BlueScope Steel, Chief Industries, Firestone Building Products, Kingspan, NCI Building Systems, and Nucor.
