

Industry Study #3545

PLUMBING FIXTURES MARKET IN THE US

June 2017

This Freedonia study discusses the \$6.0 billion US plumbing fixtures market. It offers historical demand data (2006, 2011, and 2016) plus forecasts for 2021 by type (bathtubs and showers, sinks, toilets, and other), material (vitreous china, plastics, metal, and other), market (residential, commercial, other), and region of the US. This study also evaluates company market share and analyzes key industry participants, including American Bath, Bradley, Elkay, Fortune Brands, Globe Union, Jacuzzi Brands, Kohler, LIXIL, Mansfield Plumbing Products, Masco, and TOTO.
