

ASPHALT MARKET FORECASTS

Industry Study #3552 | July 2017

This Freedonia industry study analyzes the \$20.3 billion US asphalt market. It presents historical demand data (2006, 2011, 2016) plus forecasts for 2021 by product (paving asphalt and roofing asphalt) and market (residential, nonresidential, and nonbuilding). The study also evaluates company market share and provides analysis on industry competitors including CertainTeed, GAF Materials, Oldcastle Materials, and Owens Corning.
