

VIDEO SURVEILLANCE EQUIPMENT MARKET IN THE US

Industry Study #3553 | August 2017

This study analyzes the \$3.7 billion US video surveillance equipment market. It presents historical demand data and forecasts for 2021 by product (cameras, monitors, recording equipment, other components), technology (IP, analog), and market (trade and distribution, financial, industrial, services, educational, healthcare, air transport, government, offices, consumer, loading, other nonresidential). In addition, the study evaluates company market share and analyzes major US industry competitors.
