

Lawn & Garden Watering Products Market in the US

Industry Study #3571 | October 2017

This Freedonia study analyzes the \$845 million US lawn and garden watering product market. It provides historical data (2006, 2011, 2016) and forecasts for 2021 by product (hoses, DIY irrigation systems, reels, nozzles, sprinklers, and accessories and other products) at manufacturers' level and retail level. It presents similar data at retail level for sales by retail channel. The study also discusses marketing, product development, and consumer trends, and evaluates company market share and US industry players including Fiskars, Melnor, Orbit Irrigation, Rain Bird, Swan Products, and Teknor Apex.
