

# Global Pharmaceutical Packaging

Industry Study #3591 | January 2018

This Freedonia study analyzes the \$112 billion worldwide pharmaceutical packaging market. It presents historical data (2006, 2011, 2016) and forecasts for 2021 by product (plastic bottles, blister packaging, prefillable syringes, parenteral vials and ampuls, prefillable inhalers, pouches, tubes, IV containers, glass bottles and jars, other primary containers, closures, labels, secondary containers, prescription containers, packaging accessories), region, and for 17 selected countries. The study also examines the global market for plastic resins, paperboard, glass, and other raw materials and evaluates market share and industry players such as Amcor, AptarGroup, Becton Dickinson, Berry Global, CCL Industries, Gerresheimer, SCHOTT, 3M, Vetter Pharma International, West Pharmaceutical Services, and WestRock.
