

# Outdoor Furniture & Grills Market in the US

Industry Study #3596 | January 2018

This study examines the \$8.6 billion US market. It offers historical data (2006, 2011, 2016) and forecasts for 2021 for supply and demand by product (furniture and accessories, grills and accessories, and patio heating products), by market (consumer-grade and commercial-grade), and by region of the US. Furniture and related accessories include cushions, covers, umbrellas, and hammocks; demand for furniture is broken out by material. Grills and accessories include spare propane tanks, grill parts, and grilling utensils; demand for grills are broken out by fuel type. The study also assesses company market share and reviews industry players such as Agio International, Brown Jordan International, Treasure Garden, WC Bradley and Weber-Stephen Products.
