

Global Architectural Paint

Industry Study #3598 | June 2018

This study analyzes the \$65.3 billion global architectural paint market. It presents historical demand data (2007, 2012, 2017) and forecasts for 2022 by market (new residential, residential remodel and repaint, nonresidential), formulation (water-based, solvent-based), and end user (professional, DIY). The study also evaluates company market share and analyzes US industry participants including Akzo Nobel, Asian Paints, Masco, Nippon Paint, PPG Industries, and Sherwin-Williams.
