

Construction Chemicals in the US

Industry Study #3615 | March 2018

This study analyzes the \$9.3 billion construction chemicals market in the US. It presents historical data (2007, 2012, 2017) and forecasts for 2022 by product (protective coatings & sealers, caulks & adhesives, cement additives, mortars & grouts, polymer flooring, asphalt additives, sprayed polyurethane foam, other). Data is also presented by market (residential building construction, nonresidential building construction, and nonbuilding construction) and activity (new construction and improvement and repair). In addition, market share is reviewed and key competitors are analyzed, including BASF, Henkel, RPM Industries, Sherwin-Williams, and Sika.

Table 3-4 | Protective Coatings & Sealers: Demand by Market & New Construction Versus Improvement & Repair, 2007 – 2022 (million dollars)

Item	2007
Protective Coatings & Sealers	2256
Building:	1189
Residential	419
Nonresidential	770
Nonbuilding	1067
New Construction	882
Improvement & Repair	1374
% protective coatings & sealers	28.8
Construction Chemicals Demand	7844
