

# General Purpose Lighting Fixtures in the US

Industry Study #3637 | May 2018

This study reviews the \$20 billion US general purpose lighting fixture market. It offers historical demand data (2007, 2012, 2017) and forecasts for 2022 by product (portable fixtures, nonportable fixtures, and parts and accessories), market (construction markets, consumer and commercial markets), and US region (Northeast, Midwest, South, West). The study also evaluates company market share and analyzes industry competitors including Acuity Brands, Cree, Eaton (Cooper Lighting), Energizer, Evolution Lighting, Flex, General Electric, Generation Brands, Hubbell, LSI Industries, Mag Instrument, Masco (LD Kichler), MLS Company, Signify (formerly Philips Lighting), and Valmont Industries.
