

Global Power Lawn & Garden Equipment Market

Industry Study #3640 | December 2017

This study examines the global power lawn and garden equipment market. Historical data (2006, 2011, 2016) and forecasts for 2021 are provided by product (lawnmowers, turf and grounds equipment, chainsaws, trimmers and edgers, other equipment, parts and attachments), power source (engine-driven, corded electric, battery), market (residential, commercial) and global region. In addition, the study analyzes company market share and assesses industry competitors worldwide including Bosch, Deere, Husqvarna, MTD Products, STIHL, and Toro.
