

US Lawn & Garden Consumables

Industry Study #3680 | February 2018

This Freedonia industry study analyzes the \$7.4 billion US lawn and garden consumables market. It presents historical demand data (2007, 2012, 2017) and forecasts for 2022 by product (fertilizers, pesticides, seeds, mulch, growing media) and market (residential, golf courses, government and institutional, and commercial and residential). In addition, the study offers retail-level sales for both consumer and professional products, evaluates company market share, and analyzes US industry competitors such as Bayer, Central Garden & Pet, Monsanto, Nutrien, Scotts Miracle-Gro, Simplot, and Turf Care.
