

# Corrugated & Paperboard Boxes

Industry Study #3686 | January 2019

This study examines the \$37.4 billion US corrugated and paperboard box market. It presents historical data (2007, 2012, 2017) plus forecasts for 2022 by box type (corrugated & solid fiber, folding paperboard box, and set-up box) and market (food & beverage, nonfood nondurables, durables, nonmanufacturing – e-commerce, foodservice & carryout, moving & storage). In addition, the study evaluates company market share and analyzes industry players such as Georgia-Pacific (Koch Industries), Graphic Packaging, International Paper, Packaging Corporation of America, and WestRock.
