Industry Study #3706 | May 2019

This study examines the US roofing accessories market. It offers historical demand data (2008, 2013, 2018) and forecasts for 2023 and 2028 by product (underlayment, cover board, compounds, fasteners, flashing, other), market (residential and commercial), application (new and reroofing), and by region and subregion. Demand for all products is measured in value terms. Demand is also given in millions of squares for underlayment, compounds, and cover boards, and in unit terms for fasteners. The study also evaluates factors that influence US roofing accessories demand and analyzes industry participants including Carlisle, GAF Materials, Owens Corning, and OMG Roofing Products.
