This Freedonia industry study analyzes the $66.4 billion North America building envelope market. It presents historical demand data and forecasts for 2023 and 2028 by product, market, and country (US and Canada). Demand by material type is also provided for each product. The study also evaluates company market share and offers competitive analysis on industry competitors including Andersen, Berkshire Hathaway, Carlisle Companies, CertainTeed, Cornerstone Building Brands, GAF Materials, and Owens Corning.

# Table of Contents

1. **Executive Summary**  
   8

2. **Factors Impacting the Building Envelope Market**  
   10  
   - Key Findings  
   - What is the Building Envelope?  
     - Scope of Study  
     - Importance of Building Envelope  
   - Building Construction Outlook  
   - Building Envelope Demand by Country & Market  
   - Demand by Component  
   - Building Codes  
   - Green Building Certification Programs  
     - ICC Programs  
     - ENERGY STAR  
     - LEED  
   - Materials Competition

3. **Windows & Doors**  
   25  
   - Windows & Doors: Role in Building Envelope  
   - North America Windows & Doors Demand  
   - Windows & Doors: Demand by Material  
   - Windows & Doors: Product Development  
     - Windows & Doors: Smart Windows  
     - Windows & Doors: Hurricane Resistance  
   - Windows & Doors: Suppliers

4. **Roofing**  
   35  
   - Roofing: Role in Building Envelope  
   - North America Roofing Demand  
   - Weather-Related Roofing Demand  
   - Roofing: Materials Competition  
   - Roofing: Product Development  
     - Roofing: More Durable, Long-Lasting Roof Materials  
     - Roofing: Labor Saving Roofing Products  
   - Roofing: Suppliers
# Table of Contents

## 5. Siding
- Siding: Role in Building Envelope
- North America Siding Demand
- Siding: Materials Competition
- Siding: Product Development
  - Siding: New Styles & Aesthetic Improvements
  - Siding: Improved Performance of Vinyl Siding
- Siding: Suppliers

## 6. Insulation
- Insulation: Role in Building Envelope
- North America Building Insulation Demand
- Insulation: Materials Competition
- Insulation: Product Development
  - Insulation: Eco-Friendly Blowing Agents for Spray-Foam Plastic Insulation
  - Insulation: Sustainable Materials
- Insulation: Suppliers

## 7. Air & Water Barriers
- Air & Water Barriers: Role in Building Envelope
- North America Air & Water Barrier Demand
  - Key Trends & Forecast by Product
  - Flashing
  - Roofing Underlayment
  - Exterior Wall Water-Resistive Barriers & Air Barriers
- Air & Water Barriers: Product Development
  - Air & Water Barriers: Fluid/Liquid-Applied Products
  - Air & Water Barriers: Easy-to-Install Products
- Air & Water Barriers: Suppliers

## 8. Competitive Analysis
- Which Companies Supply Building Envelope Products?
- Market Share
- Leading Supplier Profiles
- Building Envelope Distribution Channels

## 9. Appendix
- Scope
- Definitions
- Abbreviations
- Freedonia Methodology

Figure 1-1 | North America Building Envelope Market Overview

North America Building Envelope Market Overview

Key Trends Through 2028:
- Rising energy prices
- Increased demand for high-performance materials
- More cost-effective & sustainable solutions
- Greater focus on energy efficiency

Leading Industry Drivers
- Employment
- Building Activity
- Housing
- Commercial
- Residential Buildings
- Public Housing
- Benefits of Building Efficiency

Search Less. Find More.
Freedonia Group Knowledge Center

Access our entire library of market data and analysis — all instantly available and fully searchable — saving you time and money.

Powered by world-class technology, the Freedonia Group Knowledge Center offers convenient, unlimited access to Freedonia’s library of unbiased and reliable market research — providing a state-of-the-art platform for research teams where you can use as much as you want, whenever you want, for one fixed fee.

Authoritative content from a trusted name.
Get comprehensive, quality research from a premier global publisher specializing in industrial markets, including construction and building products, packaging, machinery and equipment, industrial components, and many other relevant sectors (see list of industries covered). Freedonia’s research is used by top industry decision makers and frequently cited by leading business media and trade journals.

Smarter and faster searching.
Find what you need in seconds. A search on our Knowledge Center allows you to view or filter by report, figures, or tables—giving you a shortcut to the type of content you want to view. You can also preview the search results, allowing you to quickly determine whether that piece of content is relevant.

With the Knowledge Center functionality at your disposal, you can:

- Clip relevant sections from multiple sources and drop them into presentations and reports.
- Add a chart to a PowerPoint presentation.
- Download tables into Excel.
- Share notes on the research with clients.
The Freedonia Advantage

Building on 30 years of expertise, the Freedonia Group Knowledge Center makes it easy for you to confidently obtain the research you need to stay ahead of your competition.*

- Analysis of US & global markets
- Market size & segmentation
- Growth drivers & market environment
- Historical data & forecasts
- Regulatory & technology trends
- Competitive market share
- Numerous graphs & tables

About Us

- We are a leading international industry market research firm with more than 30 years of experience.
- We rely on in-house economists, analysts, and editors to produce high quality research.
- Our research is presented in clear, methodical, exhibit-rich formats.
- Our customers include:
  - More than 90% of the Fortune 500 manufacturing companies
  - Leading global investment banks and private equity firms
  - Leading global management consulting firms
  - Government agencies
  - Top-tier universities and business schools
- We are regularly cited as a credible source by major news outlets such as The Economist, Financial Times, The Wall Street Journal, Forbes, and Bloomberg.
