This Freedonia study analyzes the US medical device packaging market. It presents historical data and forecasts for 2023 and 2028 by product (primary and secondary containers, lidding, labels, closures, and packaging accessories) and application (diagnostic substances, surgical and medical instruments, surgical appliances and supplies, electromedical and irradiation equipment, dental equipment and supplies, and ophthalmic goods). Demand for products is presented in value terms, with unit demand also provided for all major types of containers and selected packaging accessories.

Access our entire library of market data and analysis — all instantly available and fully searchable — saving you time and money.

Powered by world-class technology, the Freedonia Group Knowledge Center offers convenient, unlimited access to Freedonia’s library of unbiased and reliable market research — providing a state-of-the-art platform for research teams where you can use as much as you want, whenever you want, for one fixed fee.

Authoritative content from a trusted name.
Get comprehensive, quality research from a premier global publisher specializing in industrial markets, including construction and building products, packaging, machinery and equipment, industrial components, and many other relevant sectors (see list of industries covered). Freedonia’s research is used by top industry decision makers and frequently cited by leading business media and trade journals.

Smarter and faster searching.
Find what you need in seconds. A search on our Knowledge Center allows you to view or filter by report, figures, or tables—giving you a shortcut to the type of content you want to view. You can also preview the search results, allowing you to quickly determine whether that piece of content is relevant.

With the Knowledge Center functionality at your disposal, you can:

- Clip relevant sections from multiple sources and drop them into presentations and reports.
- Add a chart to a PowerPoint presentation.
- Download tables into Excel.
- Share notes on the research with clients.
The Freedonia Advantage

Building on 30 years of expertise, the Freedonia Group Knowledge Center makes it easy for you to confidently obtain the research you need to stay ahead of your competition.*

- Analysis of US & global markets
- Market size & segmentation
- Growth drivers & market environment
- Historical data & forecasts
- Regulatory & technology trends
- Competitive market share
- Numerous graphs & tables
